A historical review

1. Ancient literature Dhanudurg, Mahidurg, Abdurg, Vakshadurg, Nrudurg, Giridurg
2. The other type of classification was given by *Manasara*. Forts are first divided into eight classes called Sibira, Bahinimukha, Sthaniya, Dronaka, Samviddha or Vardhaka, Kolaka, Nigama and Skandhavara
3. According to *Silpa shastra* there are generally known nineteen varieties of forts.
4. Types of forts mentioned in the *Santiparvan* of the Mahabharata

MEMORANDUM OF UNDERSTANDING

BETWEEN

Mula Education Society's
Arts, Commerce and Science College, Sonai, Tal. Newasa, Dist. Ahmednagar PIN 414105
(MS)

AND

MAESA FOUNDATION, PUNE
Kadam-Jagtap Associates Common Building 10 Elite, Pimple Gurav, Pune
PIN 411061 (MS)

BACKGROUND OF THE ORGANIZATIONS

Arts, Commerce and Science College, Sonai, is established in 1989 by Mula Education Society Sonai. It is permanently affiliated to Savitribai Phule Pune University, Pune. It is recognized by UGC and included under section 2F and 12(b) of UGC act. It is ISO 9001: 2015 certified and NAAC accredited 'A' Grade college, offering Undergraduate and post-graduate education in Arts, Commerce and Science faculties.

MAESA foundation is a non-profit organization committed to create awareness on environmental and health issues by imparting education and skills to young minds through conduction of designed public campaigns, demonstration projects, seminars, workshops, trainings, capacity-building programmes and advocacy work in partnership with the NGOs and Governmental Organizations. MAESA foundation is committed to work with students in rural India to capacitate and share information for making informed decisions about their local environment and livelihoods.

Mula Education Society's Arts, Commerce and Science College, Sonai (hereafter referred as the Institution) and MAESA Foundation, Pune (hereafter referred as the Foundation), has taken an initiative of signing a memorandum of understanding for the purpose of:

FOSTERING Environmental Education,

PROVIDING Environmental Awareness

PROMOTE training and placement to students

STANDARDIZE policies and procedures

ENGAGE in research for sustainable Environmental Sustainability.

Therefore the institutes mutually agree with each other to establish a memorandum of understanding (MoU).

1) PURPOSE

The Institution and the Foundation recognize mutual benefits to be derived from increased collaboration, cooperation and interaction for the purpose of promotion of awareness activities, Campaignsandconduction of various programmes including internship, conferences related to environmental sustainability, food safety, health and traditional knowledge documentation.

2) SCOPE

This MOU sets forth the intentions of Institution and foundation for increased collaboration, cooperation and interaction and does not create any legal binding commitments. If the Institution and the foundation later agree to undertake specific joint projects with legally binding obligations, they may develop separate written agreement for such projects, setting out contribution and deliverables.

3) OBJECTIVES

1. To make collaborative efforts in the field of environmental awareness campaigning and other fields of mutual interest,
2. To actively engage and support interested youth willing to pursue environmental and sustainability education through experiential and participative learning,
3. To provide recognition to the students through the stewardship programme for their sustainability leadership role while preparing them to further the cause of sustainability,
4. To collaborate for strengthening curricular aspects by supplementing academic learning via access to national and international platforms in terms of training, workshops, conferences, seminars and internships through participative involvement of students and teachers in impactful research and projects.
5. To collaborate for preparing Institutional Biodiversity Register (IBR) and documenting traditional knowledge.
6. To conduct or support Environmental Audits including Green and Energy Audits.

4) FUNDING:

The Institution and Foundation are free to choose the pricing of programmes. The involved Institution and Foundation, on sharing basis, can develop the funds. The mechanism of funding is to be decided and executed by the Head of Institution and Director of the Foundation.

5) AGREEMENTS:

In order to inspire successful completion of this MoU, the Institution and Foundation agree to pledge in good faith to go forward with this MoU, subjected to the following terms and conditions.

- This MoU will take effect from the date, it is signed by head of the institution and foundation. It will remain valid for period of one year.
- Either institution or foundation may terminate by giving written notice to the other institution three months in advance. Once terminated both the organizations will not be responsible for any losses.
- By mutual agreement, the Institution and Foundation may modify the list of intended activities. However any modification to any other written part of this MoU must be made in writing and signed by both parties and their signatories.
- Nothing of this MoU permit violation of any government, state, local, UGC or university laws, imposed upon the Institution and Foundation.
- The Institution and Foundation will not compel each other that could lead to any legal hassle.
- Each organization has right to share the information they feel worth sharing. It is no binding on organization to share each and every information.
- The issue with intellectual property right can be shared only with prior permission of the concerned organization.

Deliverables from the MAESA foundation:

1. Collaborate in organizing activities related to environmental protection and conservation.
2. Providing platform to students to undergo short projects and internship programs under MAESA foundation
3. Providing opportunity to teachers for collaborative projects with respect to environmental issues
4. Organizing events for the promotion of environment friendly products
5. Help to conduct various Environmental Audits.
6. Help college to promote Sustainable Development Practices

Deliverables from the college.

1. The College will allow MAESA Foundation to conduct lecture series, workshops, conferences and environment related activities in the college campus.

2. Motivate students to undergo various campaign, workshops, activities, internships and training programs organized by MAESA Foundation.
3. Use of college Logo on all online and offline modes of promotion of the event jointly organized by the college and MAESA Foundation.

6) DURATION AND TERMINATION:

This MoU will take effect from the date; it is signed by head of the two institutions. It will remain valid for period of one year. Either institution may terminate the MOU by giving written notice to the other institution three months in advance. Once terminated both the institutions will not responsible for any losses.

7) AMENDMENTS /MODIFICATIONS

This MoU may be amended or modified from time to time, by written agreement signed by the representatives of both organizations.
